

Dear

As our planning for September continues, we are now excited to share with you the news that our sports clubs and societies will be running from September. These are led by Bangor Students' Union, and exceptionally, are completely free of charge to all students.

Here at Bangor we are luckier than many other universities, in that we have an amazing location, with a range of outdoor space on our doorstep. We will be utilising this to provide a programme of socially-distanced sports club and general activities, as well as an online offering.

Bangor University has won the WhatUni Best Clubs and Societies Award for three years running, and we are working very hard to ensure that we live up to this reputation next academic year. Specific details about the range of activities on offer will be available nearer the time.

Of course there will be adjustments to keep you safe, but we are absolutely committed to ensuring that your experience at University is not just about your academic studies, and that it includes all of the other elements which make being a student such an amazing adventure.

Yours sincerely

Prof Oliver Turnbull
Deputy Vice-Chancellor
Bangor University

Henry Williams
Vice President Sports
Bangor University Students Union
