Home/ EU Fees for the academic year starting 30th September 2020

These fees are for home/EU students. For international fees, please go to this webpage
<https://www.bangor.ac.uk/international/future/2019-20-tuition-fees.php.en>

Module Type	Annual Fee
All post-graduate modules (30 credits)	£2,310
Thesis OR Mindfulness Teaching Project (both 60 credits)	£2,995

We have a 'pay as you go' fee model and there is no big upfront fee to pay. For example, if you take **one 30 credit module** a year, you pay just for that **one module** that year (£2310). If you take **two 30 credit modules** a year, you pay for those **two modules** that year (£4620). You can arrange to pay the fee in a lump sum, or by monthly installments when you register for the module/s.

Total fees for the Masters programme. See prospectus for details on the two routes

Route	Total Fee (for the 3,4, and 5 year course: all modules are the same for both courses, so there is no overall price difference)
Route 1: MA in Teaching Mindfulness-Based Courses ¹	£12,235
Route 2: MA/MSc in Mindfulness-Based Approaches	£12,235

¹ This course is full training to be a mindfulness teacher. We adhere to Good Practice Guidelines for mindfulness teachers <https://bamba.org.uk/wp-content/uploads/2019/06/UK-MB-teacher-GPG-2015-final-2.pdf>. Part of good practice in the UK is receiving regular mindfulness supervision and attending personal mindfulness meditation retreats – these are additional costs to the master's fee which are arranged and paid for independently. See the prospectus for full details about these and estimated costs.
