Section 1.2 - Aggregate fee levels

Bangor University confirms that, in line with its Tuition Fees Policy (published on its web pages alongside its Fee Schedule and Fee & Access Plan), there will be no fee increases for undergraduate and PGCE students for the duration of their full-time programme.

The following paragraphs are the relevant excerpts from the University's Tuition Fees Policy: -

3.3. The Welsh Government determines the statutory fee cap for undergraduate and Postgraduate Certificate in Education (PGCE) programmes for home/EU students. The University sets both full- and part-time fees to reflect this maximum applicable fee cap, as defined in its annual Fee and Access Plan, agreed with the Higher Education Funding Council for Wales (HEFCW). Fees may be revised, if permitted and where necessary, in line with the relevant statutory fee caps, however, the University will not raise the fee for any credits or programmes during an academic year, or once the fees for an academic year have been published.

8.2. For all taught students, the fee regime (the relevant fee policy and schedule of fees) in place at the start of the first academic year, remains in effect for the duration of their programme, unless: -

- 1. there is a shift in mode of study (e.g. from full-time to part-time), or*
- 2. there is a break in study of more than 2 years, or*
- 3. an agreement has been otherwise defined in the offer letter,*

after which a new fee regime would apply. There is no change in fee regime if a student transfers from an honours to a non-honours programme, or vice versa.
