### CAREER DEVELOPMENT IN FINANCE

**CFA (Chartered Financial Analyst) Level 1 pathway.**

The most valued professional qualification in Finance and Investment is the Chartered Financial Analyst (CFA). By registering on selected Master's degree programmes at Bangor Business School you will have the option of undertaking a CFA Level 1 Pathway which includes professional training. This pathway and the related assessment work will equip you with the skills to undertake the professional exam after completing the Master's degree. Further details are available here: [www.bangor.ac.uk/business/CFA-pathway](http://www.bangor.ac.uk/business/CFA-pathway)

### CAREER DEVELOPMENT IN LAW

All students have the opportunity to take part in the CYMUNED (Community) programme. This involves careers talks and workshops, opportunities to undertake work placements in law and related careers (including barristers mini-pupillages), and opportunities to take part in clinical legal education activity, mooting (mock trials) and the Innocence Casework Unit (assisting with case work into potential miscarriages of justice).

## TESTIMONIALS

**Ankita Goyal,**  
From India, MBA in Finance

"I chose Bangor University because their Bangor Business School is highly ranked and there are very few universities who offer a January intake. The overall ratings of the university were good too, it was recognised for its accommodation, student satisfaction, clubs and societies."

**Saeed Alfaraidd,**  
From Saudi Arabia, Accounting and Finance MSc

"Many other students from back home in my country of Saudi Arabia recommended Bangor University to me. Lots of my friends back home have come to study here at Bangor over the past few years and they all liked it here and said I should come here too. Therefore I decided to come here to study too, in the hope I would have as good as an experience myself."
