PRIFYSGOL
BANGOR
UNIVERSITY

Welcome to the Open Day

We're pleased to welcome you to Bangor University for our Open Day.

On arrival, please make your way to the **sign-in marquee** outside the Main University building (sign-in open from 8.30am).

During the day you can visit **the exhibition area** in Prichard-Jones Hall, where you can chat to staff about academic subjects and services such as Student Support, Admissions and Accommodation. (Free tea and coffee also available in the Hall from 8.30am onwards.)

Throughout the day, you'll be able to attend **subject talks**, go on subject-specific **tours** and visit the **accommodation** in our student villages (see pages 5 – 12). Make sure you also

attend the **Vice-Chancellor's Welcome talk** as well as presentations on topics such as Finance, Accommodation and Employability (see opposite page).

To find out more about student life, please visit the **Undeb Bangor/ Students' Union** space on the fourth floor of Pontio. Explore the wide range of activities available through the SU and ask questions about opportunities, representation or anything else that comes to mind.

Our staff and student ambassadors are on-hand throughout the day to help and advise you. We hope that you enjoy our beautiful campus and have a great Open Day at Bangor University.
